

Department of State

§ 124.12

Defense Trade Controls has granted an exception to this requirement. The Directorate of Defense Trade Controls may require that a DSP-83 be provided in conjunction with an agreement that does not relate to significant military equipment or classified defense articles. The Directorate of Defense Trade Controls may also require with respect to any agreement that an appropriate authority of the foreign party's government also sign the DSP-83 (or provide the same assurances in the form of a diplomatic note).

(b) *Timing of submission of assurances.* Submission of a Form DSP-83 and/or diplomatic note must occur as follows:

(1) Agreements which have been signed by all parties before being submitted to the Directorate of Defense Trade Controls may only be submitted along with any required DSP-83 and/or diplomatic note.

(2) If an agreement has not been signed by all parties before being submitted, the required DSP-83 and/or diplomatic note must be submitted along with the signed agreement.

NOTE TO PARAGRAPH (b): In no case may a transfer occur before a required DSP-83 and/or diplomatic note has been submitted to the Directorate of Defense Trade Controls.

§ 124.11 Congressional certification pursuant to Section 36(d) of the Arms Export Control Act.

(a) The Arms Export Control Act requires that a certification be provided to the Congress prior to the granting of any approval of a manufacturing license agreement or technical assistance agreement as defined in Sections 120.21 and 120.22 respectively for the manufacturing abroad of any item of significant military equipment (see §120.7 of this subchapter) that is entered into with any country regardless of dollar value. Additionally, any manufacturing license agreement or technical assistance agreement providing for the export of major defense equipment, as defined in §120.8 of this subchapter shall also require a certification when meeting the requirements of §123.15 of this subchapter.

(b) Unless an emergency exists which requires the immediate approval of the

agreement in the national security interests of the United States, approval may not be granted until at least 15 calendar days have elapsed after receipt by the Congress of the certification required by 22 U.S.C. 2776(d)(1) involving the North Atlantic Treaty Organization, any member country of that Organization, or Australia, Israel, Japan, New Zealand, or the Republic of Korea or at least 30 calendar days have elapsed for any other country. Approvals may not be granted when the Congress has enacted a joint resolution prohibiting the export.

(c) Persons who intend to export defense articles and defense services pursuant to any exemption in this subchapter under the circumstances described in this section and section 123.15 must provide written notification to the Directorate of Defense Trade Controls and include a signed contract and a DSP-83 signed by the applicant, the foreign consignee and the end-user.

§ 124.12 Required information in letters of transmittal.

(a) An application for the approval of a manufacturing license or technical assistance agreement with a foreign person must be accompanied by an explanatory letter. The original letter and seven copies of the letter and eight copies of the proposed agreement shall be submitted to the Directorate of Defense Trade Controls. The explanatory letter shall contain:

(1) A statement giving the applicant's Directorate of Defense Trade Controls registration number.

(2) A statement identifying the licensee and the scope of the agreement.

(3) A statement identifying the U.S. Government contract under which the equipment or technical data was generated, improved, or developed and supplied to the U.S. Government, and whether the equipment or technical data was derived from any bid or other proposal to the U.S. Government.

(4) A statement giving the military security classification of the equipment or technical data.
